Setup & Care

Your Bambola Lounge Chair may arrive **partially assembled**. Hand-tighten any pre-fitted bolts with the included tool — no power tools required — then follow the care notes below to keep it at its best.

Placement

Use on a level surface. Keep the chair at least **12 in (30 cm)** from heaters and direct sun to protect the leather and wood.

Use

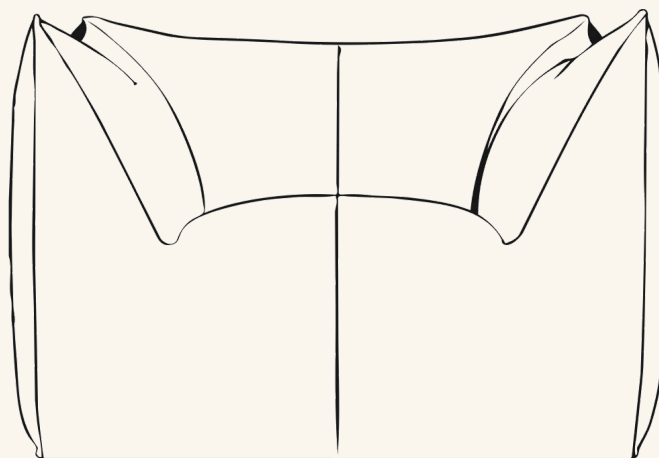

Sit normally. Avoid standing, kneeling, or jumping on the chair, and lift it to move rather than dragging.

Care

Leather cushions — Dust weekly and wipe with a slightly damp cloth; dry immediately. Condition with a quality leather conditioner 2–3 times a year, and keep away from sharp objects.

Solid wood frame — Dust weekly. Wipe with a damp cloth and dry, then apply a quality furniture wax or oil 2–3 times a year.

Hardware — Re-tighten the bolts after the first 2 weeks, then every 6 months.
