ASSEMBLY INSTRUCTION

Capitol Complex

051 · Chair with Arms

Welcome Guide

www.sohnne.com

Setup & Care

Your Capitol Complex Chair may arrive **partially assembled**. Hand-tighten any pre-fitted bolts with the included tool — no power tools required — then follow the care notes below to keep it at its best.

Placement

Use on a level surface. Keep the chair at least **12 in (30 cm)** from heat sources and direct sunlight to protect the cane and wood.

Use

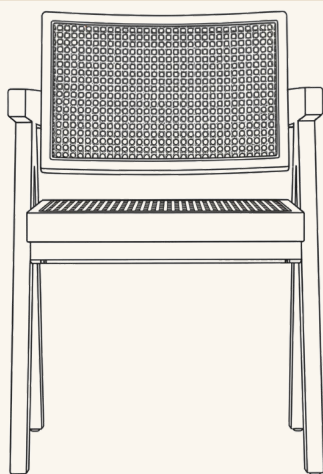

Sit normally. Avoid standing, kneeling, or jumping on the chair, and lift it to move rather than dragging.

Care

Cane seat & back — Vacuum gently with a soft brush attachment. Wipe with a slightly damp cloth and dry immediately. Keep humidity between 40–55% to prevent sagging.

Solid wood frame — Dust weekly and wipe with a damp cloth, then dry. Apply a quality furniture wax or oil 2–3 times a year.

Hardware — Check and re-tighten the bolts after the first 2 weeks, then every 6 months.
