Getting Started

Your Etcetera Lounge Chair and Ottoman arrive ready to use — no power tools required. A few simple habits will keep its sculpted form, leather cushions and solid-wood frame beautiful for years.

READY TO USE

Your Etcetera Lounge Chair may arrive partially assembled. Unpack the chair and ottoman carefully and, if any fittings are supplied, hand-tighten them before first use. No power tools are needed.

PLACEMENT

Use on a level surface. Keep at least 12 in (30 cm) from heaters and out of direct sun to protect the leather and wood.

USE

Sit normally. Avoid standing or jumping on the chair, and don't drag it across the floor — lift to reposition.

Care & Maintenance

Fine leather and solid wood reward a little regular attention. Follow these steps to keep the cushions supple and the frame rich in colour.

Leather cushions

Dust weekly. Wipe spills with a slightly damp cloth and dry immediately. Condition with a quality leather conditioner 2–3× per year, and keep sharp objects away from the surface.

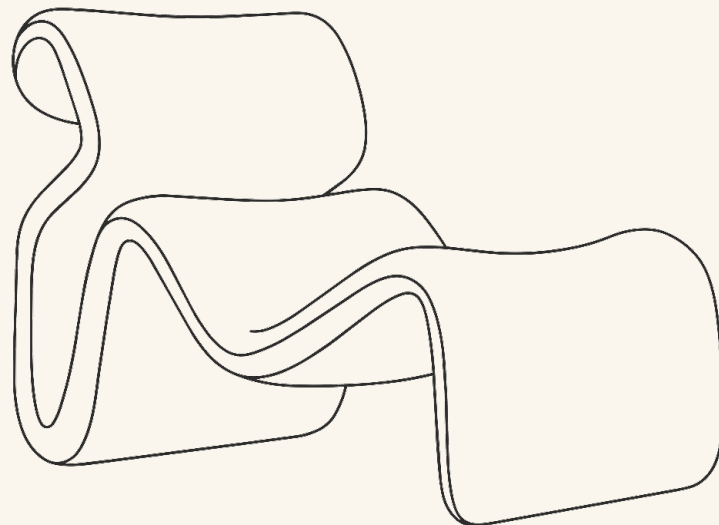

Solid wood frame

Dust weekly. Wipe with a damp cloth and dry, then apply a quality furniture wax or oil 2–3× per year to nourish the timber and even out its tone.

Hardware

Re-tighten any bolts after the first 2 weeks of use, then check every 6 months to keep every joint firm and silent.
