Getting Started

Your Le Mura Armchair arrives ready to enjoy — its sculpted, low-slung form is built for relaxed lounging. A few simple habits will keep the leather supple and the solid-wood frame sound for years.

READY TO USE

The Le Mura Armchair may arrive partially assembled. Unpack it carefully and, if any fittings are supplied, hand-tighten them before first use. No power tools are required.

PLACEMENT

Use on a level surface. Keep at least 12 in (30 cm) from heaters and out of direct sun to protect the leather and wood.

USE

Sit normally. Avoid standing or jumping on the chair, and don't drag it across the floor — lift to reposition.

IN THE BOX

1 × Le Mura Armchair

MATERIALS

Leather · solid wood frame

WARRANTY

12-month manufacturer

SUPPORT

24/7 customer care

Care & Maintenance

Fine leather and timber reward a little regular attention. Follow these steps to keep the upholstery soft and the frame steady.

Leather cushions

Dust weekly. Wipe with a slightly damp cloth and dry immediately. Condition with a quality leather conditioner 2–3× per year, and keep away from sharp objects.

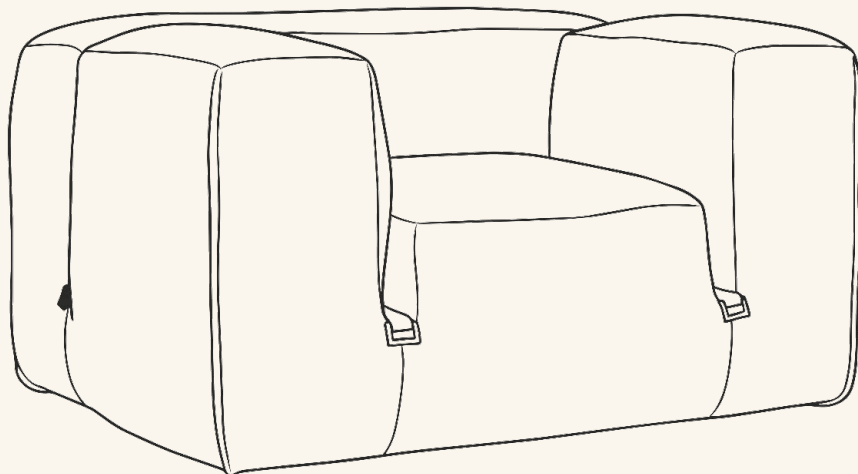

Solid wood frame

Dust weekly with a damp cloth and dry, then apply furniture wax or oil 2–3× per year to nourish the timber and even out its tone.

Hardware

Re-tighten any bolts after the first 2 weeks of use, then check every 6 months to keep every joint firm and silent.
