Getting Started

Your Scando Coffee Table arrives fully assembled — no tools or setup required. Its sculptural bent-plywood form is ready to use the moment you unbox it.

READY TO USE

Your Scando Coffee Table arrives fully assembled — no tools or setup required. Simply unpack it carefully and remove all protective packaging before first use.

PLACEMENT & STABILITY

Place the table on a flat, level surface to ensure stability. Keep it out of direct sunlight and away from heat sources to protect the wood finish.

MOVING THE TABLE

Lift the table when moving it — never drag it across the floor. Dragging can damage both the floor and the curved legs of the table.

IN THE BOX

1 × Scando Coffee Table

MATERIALS

Bent plywood · walnut veneer

WARRANTY

12-month manufacturer

SUPPORT

24/7 customer care

Care & Maintenance

A little regular attention keeps the molded plywood and veneer rich in colour and free of marks for years to come.

Cleaning

Wipe with a soft, damp cloth and dry immediately. Never let moisture sit on the surface, as it can damage the veneer over time.

Protect the finish

Avoid harsh chemicals, direct sunlight, heat sources, and excessive moisture. These can fade, warp, or dull the natural wood finish.

Coasters & placemats

Use coasters or placemats to protect the surface from scratches and stains. Lift items rather than sliding them across the tabletop.
