## 1 Join the legs

Attach the front legs and the back leg to the brackets with 6 × M6×20 screws. Keep them loose for now — they're tightened fully in a later step.

## 2 Fit the seat board

Fasten the seat board to the front and back legs with 8 × M6×20 screws. Don't fully tighten until the last screw is started.

## Mount the back cushion

Fix the back cushion to the back board with 4 × M6×20 screws.

## All done

Work around the chair and give every screw a final, even tightening. Then settle in and enjoy your Shell 07 Chair.
